EVENT SOLUTIONS

We specialise in bespoke outdoor furniture, fittings and accessories for large scale festivals, events, activations and for private functions too.

— **C A T A L O G U E** —

Dimensions Event Solutions specialises in taking any given space and creating the best environment for your event. From custom furniture designs to set builds, we have you covered.

Our skilled team has collectively almost 20 years of experience in the event industry and we have worked with many great brands.

From rustic pallet furniture to high-end white leather couches, corporate branding and more, our wide range of furniture and accessories will transform your event space into something special.
